

GOVE COUNTY CLEANNINGS.

BUFFALO PARK BUDGET.

School closes March 27, after a long term of nearly five months.

Miss Annie Sloey is spending a short time with her sister, Mrs. P. McFarland.

Miss Nellie Fiedick came back on Sunday from a three-days' trip in the country.

Miss Rose Sloey has returned to the Hackberry, after a two weeks' tarry in town.

W. W. Walkey spent Sunday night in town. He was here to meet friends from Illinois.

Birds of spring, i. e., land hunters, have been plenty in Gove county during the last fortnight.

Miss Rose Thomas' friends greatly regret the indisposition which holds her a prisoner in the house.

Rev. J. Q. A. Weller preached a good sermon at the school house Sunday evening. Text: "Behold the man."

John Baker visited Wa-Keeney Saturday. He and his family will leave for their ranch, on Indian creek, some time this week.

Mr. and Mrs. Asa Rice visited Mrs. Dot Edwards, in this place, last week. Asa reports everything lively in his neighborhood.

John Spencer, Esq., of Indiana, has, it is rumored, taken the Hindman claim, just south of town, and will move there with his family.

A lively interest is felt in the Sunday school at this place. The attendance is good. Every one is cordially invited and urged to attend.

G. P. Tiffany, who lives at present south of Melota, on Big Creek, has taken a claim a few miles northeast of town, and is making ready for moving.

Old Mrs. Edwards, of this place, is suffering from paralysis. Two sons of hers have been summoned from eastern counties to attend on her sick bed.

J. L. McClannahan, our well-known merchant, had quite an experience Saturday. Himself and wife and little daughter, accompanied by P. McFarland, of the Buffalo House, went south toward the Hackberry; and while returning, near Mahan, the horses took fright and ran away, scattering the load promiscuously, but, fortunately, no one was seriously injured.

EMAREF.

Habitual constipation is not only one of the most unpleasant, but at the same time one of the most injurious conditions of the human system, but is a forerunner of disease, unless removed. This is usually accomplished by the use of purgatives, which for the time afford relief, but after their immediate effects have passed they leave the system in a worse state than before. To effect a cure it is necessary that the remedy used should be one that not only by its cathartic effect relieves the bowels, but at the same time acts as a tonic, so as to restore the organs to a sound, healthy condition. This PRICKLY ASH BITTERS will do. It removes the cause and restores health.

The enterprising publishers of Dr. Foot's Health Monthly have, by the liberality of their premium offers, outdone all their previous generosity. The list to select from includes useful articles, standard books and scientific literature, such as one usually expects to pay well for, but here they are thrown in with a year's subscription to the most popular and widely greeted Health Monthly at only fifty cents a year. Try it before you buy it by sending for a free sample copy and illustrated premium list to the Murray Hill Publishing Co., 229 E 8th st., N. Y.

A new daughter arrived at the residence of Gov. Martin Friday evening of last week. This is his fifth child.
